Homestay Accommodation

HOMESTAY

Many of our students choose to stay in homestay accommodation with a British family. We have welcoming, friendly and helpful hosts who love living with international students.

Our Accommodation Team have been working with local host families for years and they will always do their best to match you with a host family that suits your needs. If you're thinking about living in homestay then it's important to book early and tell us about your preferences, especially if you have any concerns about diet, smoking, children or pets.

We have many different kinds of host families working with us including full families with children, older couples and single people from a variety of different backgrounds. All of our hosts live approximately 20 - 40 minutes away from the school on public transport and a weekly bus or train pass will cost no more than £20.*

What to expect:

- Your host family will be welcoming, friendly and happy to talk to you
- You will have your own room, unless you tell us that you would like to share a room with a friend
- Your room will be safe, clean, comfortable and in a good state of repair
- You will always have access to a bathroom and washing facilities

- You will be provided with healthy, balanced meals
- You will not be placed with another student who speaks your language, unless you tell us that that you would like to stay with a friend from your country

Residences

Residential accommodation is great if you like to live independently. Our Accommodation Team work closely with our residence providers to make sure that the information we give you about our accommodation options is clear and the residences are comfortable, well managed and secure.

If you choose to live in residence then you will have a single room in one of our two halls of residence which comes fully equipped with a bed, shelves, a desk, a wardrobe and free Wi-Fi. All of our residences are self-catering with their own laundry facilities.

In a flat you will share a kitchen and lounge area with other international students, so residences are great for meeting new people and making friends from many different cultures, all around the world.

When I came to the school my purpose was to improve grammar and speech - to 'feel' English over whole days and to have experience with new people from all over the world . I've studied just for a month and I think I got my purpose compared to the time.

Igal from Turkey

The Arch

www.lse.uk.net

The Arch is located near Liverpool's vibrant Chinatown and is only five minutes walking distance from the school.

Flats in The Arch are made up from four to seven en-suite rooms and a shared kitchen/lounge area. There is also a courtyard in the building so you can socialise outside.

Deen House

Deen House* is a fantastic, modern, en-suite property just next door to the school! From this residence you can easily walk into the city centre for shopping and socialising. Each flat in Deen House is made up of four to six single bedrooms and a kitchen/lounge area, so you will quickly become close friends with your new flatmates.

*Deen House is managed by Deen Housing Company and The Arch is managed by Downing Students. Both companies work closely with the school and regular feedback from our students is passed on to the companies in order to improve your experience. However, the school does not manage the residences.

Welfare for **Adults**

www.lse.uk.net

31

Our school and accommodation rules are very clear and carefully designed to ensure the safety and comfort of all students. On your first day you will be given the school code of conduct to read as part of your induction so that you know what we expect from your behaviour during and outside of school hours, but also what to expect in terms of welfare and safety from the staff. If the code of conduct is not followed you may be asked to leave the school.

What ISI say about us...

Pastoral support is excellent. Two welfare officers ensure that students' pastoral needs are met very effectively. Students meet their individual tutor each month to review progress and discuss any pastoral concerns.

During your induction you will also get your student handbook. Our handbook has all kinds of useful information inside to help you during your stay in Liverpool including what to do if you are ill, how to register with a doctor, opening a bank account, how to register with the police, travel tips and much more.

We expect you to attend all of your classes and any absences for sickness or appointments must be authorised. Your attendance and punctuality will be monitored by our staff and your final attendance percentage will be marked on your certificate. You need to have 80% attendance or above by law to keep your student visa. If you are a sponsored student you will need to

have 80% attendance or above or your embassy may not continue to sponsor you.

We want to make sure that everyone feels safe and happy at the school, so if there are repeated absences we will contact you to make sure that you are okay and see if you need to have a meeting with a member of our Welfare Team. You will meet our Welfare Team during your first week, who can offer support and guidance.

Students under 18 have compulsory weekly meetings with our Welfare Team. If you are over 18 you can attend our regular drop-in sessions. Alternatively, if you would like to speak in confidence you can make an appointment to speak to our Welfare Team. Remember, you can always speak to any of our friendly staff if you want to ask a question or just want to talk to somebody!

Social Programme **Excursions and Activities**

During your stay in Liverpool studying and learning English is important, but it is also important to have fun and make lots of friends and happy memories!

We want to appeal to many different types of people with different interests and budgets and many of our activities are free!

“ It is quite difficult to express everything I have enjoyed while studying at LSE. The school's staff is kind and friendly, always in a good disposition to help. This made my experience of improving my English rather nice, yet the thing that stands out the most for me was the opportunity to met people from all countries and all cultures. This has really changed my life. ”

The Liverpool School of English
Summer School

English and Culture Course **for Juniors 12-17 years old**

35

At our summer school we aim to provide an educational and enjoyable all round learning experience and a valuable insight into British life and culture.

Through our successful partnership with the City of Liverpool College we are able to offer the best educational and recreational facilities in the city for our students at The Learning Exchange (LEX).

We have international classes of no more than 15 students in any class. Our summer school teachers use a diverse range of teaching methods, including interactive technology to deliver communicative lessons.

Our lessons are designed to develop reading, listening, speaking and writing skills – functional English that students can use both in and out of the classroom.

Our students are all provided with a learning journal to keep a record of vocabulary, classwork, individual progress and details of their experiences on activities and excursions.

Inside The LEX there is:

Use of up to 4 computer rooms

Use of up to 25 modern, digital classrooms

Free Wi-Fi throughout the building

Indoor and outdoor relaxation areas for socialising

An indoor sports hall, with showers and changing rooms

A large, fully equipped atrium for social activities such as games, karaoke, films and discos

A bright, modern, well managed college restaurant

A week in the life of a **summer school student**

This programme is an example of a 15 hour course with 20 lessons of 45 minutes each.

We are also able to provide a 21 hour course of 28 lessons of General English upon request.

"I liked everything about it, Liverpool is a very beautiful city, people at the school are very friendly and the teachers are very good.

Afternoon Excursions

Please note that these pages provide a preview of the excursions and activities that we are able to provide. For your confirmed excursions please check your programme upon booking.

Treasure hunt around the city centre

Following a guided tour of the city, students work in groups and use their maps to discover the city. This requires them to talk to various people who work in shops, museums, cafes, information centres etc. They win prizes as they learn essential information about Liverpool and practise using 'everyday English.'

Tour of Liverpool Football Stadium

Students go on a guided tour of the stadium, see the pitch, visit the press room. Then they visit the museum, have photos taken with the many cups and medals in the trophy room and learn about the history and heritage of England's most successful football club.

Guided tour of Liverpool's Two Cathedrals

On each end of Liverpool's famous Hope Street is a cathedral. They are very different yet equally impressive. The Metropolitan Cathedral is a modern and iconic structure. Then after a short walk students can explore the magnificent Anglican Cathedral, Britain's largest cathedral.

The Beatles Story

An atmospheric journey into the life, times, culture and music of the Beatles. With lots of fun and surprising interactive features students of all ages can enjoy learning about four 'lads' from Liverpool who shook the world.

Another Place on Crosby Beach

A traditional trip to the seaside with an unexpected twist. Here students explore a unique work of art from one of Britain's most famous contemporary artists, Anthony Gormley.

World Museum

The World Museum combines historic treasures from across the globe with the latest interactive technology. Students can focus on an area which interests them, such as nature and wildlife, ancient Egypt, dinosaurs, transport, the aquarium, space etc.

The Tate Gallery, Albert Dock

Here students explore one of Britain's finest collections of modern art where everybody can find something they love as well as something they hate – we encourage and help our students to explain why.

Southport Take a trip to this classic English seaside resort. Eat an ice-cream on the beautiful beaches, stroll around the fantastic shops, and walk along Britain's oldest iron pier. Students experience life in an authentic and historical town, a world away from the city life of Liverpool.

The Walker Art Gallery

The Walker Art Gallery holds one of the finest collections of fine and decorative art in Europe. Students can discover over six centuries of art at the national gallery of the north. They work in groups to answer questions and decide which pieces are their favourites.

I have improved my English, I have visited the city, I have made a lot of friends from different countries. Above all, I have spoken a lot in class, with my host family and with my friends.

Accommodation and Welfare **for Juniors**

Our school and accommodation rules are very clear and carefully designed to ensure the safety and comfort of all students.

On their first day our students are given the school code of conduct to read as part of their induction so that they know what we expect from their behaviour during and outside of school hours, but also what to expect in terms of welfare and safety from the staff. Our students' safety, comfort and wellbeing is paramount to us and so we have dedicated welfare officers and junior centre managers available at all of our summer schools to help with any problems that our students may have. There is also an allocated homeroom in the college so that our students can meet with their group leader before school, afternoon excursions and evening activities. There are also live-in staff in residences to provide welfare support for students out of regular school hours.

For trips and excursions, all of our students have a personal ID card with emergency contact information and they are supervised at all times by a member of staff. All of our staff, including externally hired staff such as coach drivers, must provide references before we hire them and they are fully checked by the Disclosure and Barring Service (DBS).

Residences

All of our residence are within walking distance from the college and offer en-suite facilities. Please contact groups@lse.uk.net for more information.

- Flats will be made up of 3-7 en-suite bedrooms and a shared lounge/kitchen area
- Each bedroom has a lockable door, bed, study desk, chest of drawers or wardrobe and en-suite bathroom with shower
- Clean linen is provided weekly and there are on site laundry facilities

- There is free Wi-Fi in the building
- There will be live-in staff in the residence to provide welfare support for the students

HOMESTAY

Many of our students choose to stay in homestay accommodation with a British family. We have welcoming, friendly and helpful hosts who love living with international students. For more information on homestay please see page 26 or visit our website <http://www.lse.uk.net/accommodation/homestay.aspx>

Please be aware that all our hosts live approximately 20 - 40 minutes or less from the school on public transport. Twin rooms in homestay are available on request for our summer school students, subject to availability. For safeguarding reasons, students aged under 16 need to apply for homestay in pairs and where students are particularly young (12-13 years old) they should be paired with an older student.
