#WeAreInternational

Cardiff University is truly international. With over 8,600 international students from more than 130 countries stepping through our doors each year, our student population is diverse and multicultural. We recruit worldwide for the best academic talent who help to deliver a rich and engaging study environment.

The University reaches far beyond its home in Wales, with hundreds of overseas partnerships and research projects around the world, contributing to our ever-growing global community.

Carlos Jimenez Santillan, Mexico

MSc Operational Research and Applied Statistics, 2018

"Cardiff is such an amazing city to live in... This is what I called a true student city... Coming to Cardiff is one of the best experiences of my life."

Dr Tiago Alves, Portugal

Senior Lecturer in Earth Sciences and Head of the 3D Seismic Laboratory

"One of the things that is most surprising is how closely-knit students and staff are at Cardiff. We actually grow together with the students as they finish their BScs and many of the students end up staying at Cardiff and continue their career as MSc or PhD students."

Juliet Bawuah, Ghana

MA International Public Relations and Global Communications Management, 2018

"Living in Cardiff has opened my eyes to a whole new perspective about life... I like the variety Cardiff offers in terms of what you can get with its beautiful sights and sounds."

Satwik Shivohan, India

BA Media, Journalism and Culture, 2020

"I chose Cardiff because it offers everything a student could possibly ask for - whether it's an exemplary degree programme, generous staff support or an opportunity to pursue your other interests, Cardiff has it all! This place makes you feel like home even before you realise it."

International partnerships

Cardiff University is proud to have more than 200 links and partnerships across the globe, including our strategic partnerships with Xiamen University, University of Campinas (UNICAMP), Beijing Normal University and University of Bremen, which support joint research collaboration and offer mobility opportunities for students and staff. We also have very significant developing partnerships with the University of Waikato and Dalian University of Technology.

We are proud of our Civic Mission partnership with the University of Namibia that aligns with the United Nations Sustainable Development Goals in seeking to reduce poverty, promote health and support sustainable environmental development. We also have a highly successful collaborative research and training facility, the Danau Girang Field Centre, which focuses on preserving biodiversity and conserving endangered species in Sabah, Malaysian Borneo.

As well as our many global research agreements, we also have a host of long-standing and much valued student exchange, transfer, recruitment and mobility agreements and partnerships worldwide. You can see the most popular of these on the map:

Key partners

Some of our most popular student exchange, recruitment and mobility partnerships

Elif Istanbuluoglu, Turkey MSc Sustainable Mega-Buildings, 2018

"Cardiff offers what a capital city should offer, but it is also a peaceful city that does not overwhelm people. Compared to more crowded cities in Europe and the UK, Cardiff is cheaper and therefore the standard of living is higher."

Yuxin Ding, China

BSc Business Management (Human Resource Management), 2021

"Cardiff University gave me the opportunity to shine as bright as I can and develop not only my skills through lectures and tutorials, but to develop and grow as an outstanding person. It provides everything I need, like high quality lectures, campus activities and digital education. Basically, I am enjoying an extraordinary education and campus life."

Thu Thao Nguyen, Vietnam

PhD in Business and Management, 2022

"People are super friendly, and the city is affordable for students ... There are also plenty of coffee shops and restaurants that you can hang out with your friends."

Dr M Sankar, India

Catalysis Institute Research Fellow

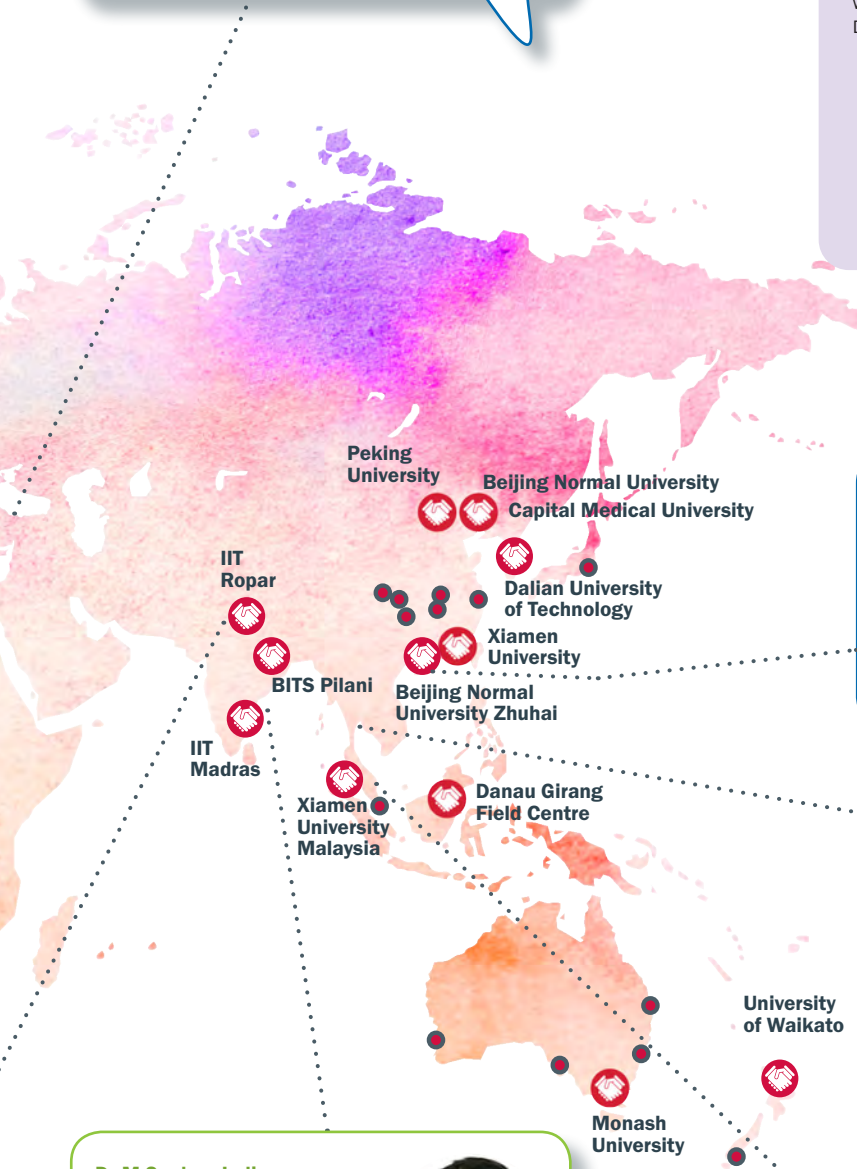

"Cardiff University I would say is a fantastic place to work and most importantly, a fantastic place to live as well. It is such a beautiful place. Within 20 minutes you can go to the most exciting part of the UK, with very beautiful beaches. It's a beautiful place to live."

Wei Hang Tong, Malaysia

Law LLB, BPTC With LLM, 2020

Cardiff is a hybrid of both urban and country lifestyle. You can experience a rock & roll band jamming in the city centre and complete serenity with a cup of tea or a picnic in the park just a few minutes' walk away. So, whatever kind of person you are, there will be something which suits your interest."

research that matters

Cardiff University is a research-led University and a member of the Russell Group. We excel in producing high quality, innovative research which makes a real difference both locally and worldwide.

- **5th** in the UK for research quality*
- **2nd** in the UK for research impact*
- Our research contracts have a value of **£500 million**
- **Our academic staff** work with partners from all sectors, across the UK and overseas, to keep us at the forefront of innovation.
- **Our research expertise and facilities** are used by industry and commercial partners, government bodies and other organisations internationally.

*Research Excellence Framework 2014

Studying in a research-led, Russell Group institution like Cardiff University has many advantages:

- 1** Degrees recognised worldwide
- 2** Innovative courses based on the latest discoveries and research
- 3** Teaching by staff who are driven by creativity and curiosity, many of whom are internationally recognised leaders in their fields
- 4** Enhanced career prospects as employers often favour well-informed graduates from research-led universities
- 5** Excellent teaching facilities and campus investment. We're undertaking our biggest campus upgrade in a generation with a £600m investment in our future
- 6** Joining a worldwide network of alumni holding top positions in governments, the private sector and academia
- 7** Thriving innovation culture with connections to industry and business, informing our teaching and nurturing student entrepreneurship.

Global collaborations to address global challenges

Our researchers collaborate with partners worldwide to tackle global issues such as climate change adaptation for improved food and water security, mitigation of CO2 emissions through storage in coal deposits, and the genetic architecture of mental disorders. Recently, they have also turned their expertise to supporting the global response to the Covid-19 pandemic.

Phoenix Project

Through our partnership with the University of Namibia, we have launched the Phoenix Project, focusing on poverty reduction, health promotion and supporting a sustainable environment. Over the past 4 years, we have educated doctors and nurses, created a vibrant software sector, enshrined a value for culture and language among young people, and enabled the police and ambulance service to save lives. The next 5 years will encourage and develop leadership skills of nurses, produce library and information services, support sustainable access to water and more.

www.cardiff.ac.uk/phoenix-project

Danau Girang Field Centre

A team of Cardiff University researchers are currently working to preserve biodiversity and conserve endangered species in Borneo, focussing on two species – orangutans and elephants. The Danau Girang Field Centre has been recently recognised by the Malaysian State Government of Sabah for its contribution to the conservation effort of its most valued areas of natural beauty. Our Regrow Borneo carbon off-setting initiative fund raises for reforestation of the rainforest habitats previously lost to palm oil plantations.

www.cardiff.ac.uk/sustainable-places/research/projects/regrow-borneo

studying at Cardiff University

Choosing to study at Cardiff University will allow you to join a global academic community of staff and students. Our mission is to undertake world-leading research with impact and pass this knowledge onto our students to make a social, cultural and economic difference.

How will studying at Cardiff be different?

Studying at Cardiff University may be different from the style of teaching in your country. Cardiff University is an innovator in 'problem-based' learning. This means your lecturers will set you a 'problem' and you will have to work out the answer. This is a much more effective method of learning than just from a book.

You will be:

- expected to use the libraries and internet to research topics
- asked to contribute your opinion, collate information and present evidence
- encouraged to share your own ideas
- educated through a variety of teaching and assessment methods.

Teaching methods

You will be taught in formal lectures, in small groups (called 'seminars') and one-to-one with the tutors. Depending on your subject you may use laboratories, meet members of the public, operate specialist equipment and go on field trips. You will also have access to Cardiff's virtual learning environment to enhance and support your learning. It allows you to download lecture materials, communicate with your tutors and submit assignments online.

Assessment methods

Assessment methods are different for each course. Most courses include some form of written examination and essays, but you may also be assessed on presentations, class tests, laboratory results and group work.

Personal Tutors

You will be allocated a Personal Tutor at the beginning of your programme. Your Personal Tutor will be able to provide you with advice, whilst maintaining an overview of your learning and educational experiences.

If you are experiencing difficulties, your Personal Tutor will be there to listen and provide professional guidance and support.

Independently verified and reviewed

You can be confident of the quality and standard of a Cardiff degree. The University is recognised by more than 40 professional bodies which ensure that the University maintains its high standards of teaching. The most recent Teaching Excellence Framework (TEF) panel awarded Cardiff University a silver award. This means that the University consistently delivers high quality teaching, learning and outcomes for its students, and it consistently exceeds rigorous national quality requirements for UK higher education.

“Professors are always helpful and inviting. Cardiff University has allowed me to explore my skill set and abilities in a holistic way.

Ayushi Sabharwal,
India, Media and Communications
(BA), 2023

10 key facts

Cardiff University is ambitious and innovative, with many of our Academic Schools among the best in the UK. We are driven by creativity and curiosity, and we encourage our students to fulfill their potential.

Cardiff is a **world top 150** university*

We are ranked **5th in the UK** for research excellence**

Accommodation in University residences is **guaranteed** for all international students and is within walking distance of the University

The campus is frequently used as a film set for popular TV shows '**Dr Who**', '**Sherlock**' and '**His Dark Materials**' as well as Hollywood blockbuster films

The University has **16 libraries** and a range of IT suites, offering **24/7 study facilities**

*Shanghai Academic Ranking of World Universities 2019

** Research Excellence Framework (REF) 2014

Awards

Cardiff is home to award-winning academics, Nobel Prize winners, Queen's Anniversary Prize winners and more, delivering cutting-edge research and innovative teaching.

- **2 Nobel Prize winners – Sir Martin Evans (Medicine) and Robert Huber (Chemistry)**
- 7 Queen's Anniversary Prizes, including the Down's Syndrome Vision Research Unit in 2017
- **15 Fellows of the Royal Society**
- 11 Fellows of the Royal Academy of Engineering
- **7 Fellows of the British Academy**
- 21 Fellows of the Academy of Medical Sciences
- **34 Fellows in the Academy of Social Sciences**
- 15 members of the Academia Europaea
- **2 members of the The National Academy of Sciences (USA)**
- 162 members of the Learned Society of Wales
- **A Regius Professorship awarded to the School of Chemistry recognising the work of Professor Graham Hutchings**

Rankings and league tables

Cardiff University has a national and international reputation for quality and excellence, ranking highly among the world's top universities.

International rankings each evaluate a number of core functions, such as: teaching, research, knowledge transfer and international outlook. Cardiff University consistently features in the upper tiers of the most popular rankings.

World top 50

- ▶ Architecture and Built Environment
- ▶ Biological Sciences
- ▶ Communication and Media Studies
- ▶ Dentistry
- ▶ Engineering - Mineral and Mining
- ▶ Geography
- ▶ Public Administration
- ▶ Sociology

World top 100

- ▶ Civil and Structural Engineering
- ▶ English Language and Literature
- ▶ Human Biological Sciences
- ▶ Oral Science
- ▶ Pharmaceutical Sciences
- ▶ Pharmacology
- ▶ Political Sciences
- ▶ Psychology
- ▶ Social Policy and Administration

UK top 10

- ▶ Anatomy and Physiology
- ▶ Architecture
- ▶ Celtic Studies
- ▶ Communication and Media Studies
- ▶ Dentistry
- ▶ Engineering - Mineral and Mining
- ▶ English Language and Literature
- ▶ Health Professions
- ▶ Landscape Design
- ▶ Medical Technology
- ▶ Music
- ▶ Nursing
- ▶ Occupational Therapy
- ▶ Optometry, Ophthalmology and Orthoptics
- ▶ Pharmacology and Pharmacy
- ▶ Physiotherapy
- ▶ Psychology
- ▶ Radiography
- ▶ Religious and Theological Studies
- ▶ Town and Country Planning

While rankings are a useful guideline, you should also consider the structure and teaching style of the course you wish to study, and what other opportunities the University and academic School can offer you.

Sources

Subject rankings: You can view the scores for subject areas in the Course List (pages 19-39). These lists show subject areas at Cardiff University ranked by independent sources including: QS World Rankings 2020, Shanghai Academic Ranking of World Universities 2020, The Complete University Guide 2021 and The Guardian University Guide 2020.

career prospects

Many students come to the UK to improve their job prospects. The skills you'll develop during your studies, alongside any extracurricular activities, will offer you options whatever your chosen career. A degree is an investment for life and you will want to invest wisely.

What is the value of a Cardiff University education?

Employability is not just about getting a degree from a UK university. In an increasingly competitive global market, employers are looking for a wide range of skills and attributes.

The Careers and Employability team can help you:

- Explore your options during and after University
- Develop the skills and attributes employers look for
- Get recognised for your employability with the Cardiff Award
- Access a range of work experience and internship opportunities.

The Careers team also have dedicated advisers to help you plan your career and develop the ability to articulate your skills and experience to prospective employers.

Find out more at: www.cardiff.ac.uk/careers

Cardiff University is very supportive when it comes to work experiences and student support services; there is a big choice of different options and everyone can find something that suit their needs and interests. I have done a primary school classroom experience project, worked as a student mentor, and am currently working with Rowanvale Books publishing company as one of their advance readers.

Aleksandra Lakus,
Poland, English Language and German (BA), 2022

1

Choose a top university with a worldwide reputation

Cardiff University is highly-ranked and recognised both in the UK and across the world for its teaching excellence and innovative research.

2

Make the most of your studies

It may seem obvious but applying yourself and making the most of opportunities within your School will give you the edge over other candidates.

On many degree schemes you can also widen your experience by studying part of your degree at a university in another country. Cardiff University has partners in the USA, Australia, South America, Europe and across Asia.

3

Summer work, volunteer or study placements

As well as spending time abroad as part of your degree, our Global Opportunities team provides opportunities for students to work, volunteer and study during the summer months. These placements usually range from 4-6 weeks and are offered world-wide.

4

Join free training programmes

In a competitive workplace it is important that you can be creative and apply your knowledge effectively. The Skills Development Service (SDS) provides a range of free courses aimed at building your confidence, improving your transferable skills and increasing your employability potential.

www.cardiffstudents.com

5

Get advice and meet employers

The University has a free Careers & Employability service with specialist international support. They offer advice and guidance on choosing a career, interview techniques, job seeking and improving your résumé. They also provide dedicated careers events for international students throughout the academic year and regular opportunities to meet potential employers recruiting on campus.

www.cardiff.ac.uk/careers

6

Enhance your résumé

Employers don't want robots; they want interesting people who are driven and able to work in teams. At Cardiff, for example, you could get involved with running a club or society, or join Cardiff Volunteering. The Careers and Employability team can help with writing an effective résumé.

7

Gain work experience

Work experience is a great way to show that you can apply the skills gained from your degree. You can get work experience through a part-time job or by opting for a Cardiff University degree that includes a year in industry. The Schools section (from page 21) lists courses which have year in industry options. Careers and Employability also offers a wide range of opportunities from highly competitive internship placements to shorter insights.

8

Network and build lifelong friendships

The Cardiff Alumni Network consists of more than 175,000 graduates and supporters across the globe. Academic staff will offer advice and direction while other students, both from your country and other countries, can provide valuable insights.

9

Join the Cardiff Award

Develop your employability skills and gain recognition for work experience and extra-curricular activities with the Cardiff Award. The Award will appear on your Higher Education Achievement Record for employers to see and you will receive a LinkedIn certificate.

10

Develop your English language skills

Employers in the UK and overseas are looking to recruit international students with excellent English language skills. The Languages for All service provide language classes, and getting involved with local and campus culture will help with your language skills.

How to improve your career prospects

Everybody wants to stand out from hundreds of other graduates.

Above are some recommendations for getting that competitive edge, available to you at Cardiff University.

Cardiff

the capital city of Wales

Located on the coast of South Wales, Cardiff is just 30 minutes away from beautiful beaches and mountainous national parks, while being only a 2-hour train journey from London.

Cardiff is regularly ranked as one of the UK's best cities for students, with its affordable living costs, excellent transport links and our campus at its heart.

Find out more about the city of Cardiff at:
www.visitcardiff.com

Key

- 1 Cardiff University
- 2 Bute Park
- 3 Cardiff Castle
- 4 Principality Stadium
- 5 Shopping centre
- 6 Student neighbourhood

Weather in Cardiff

The average temperature in Cardiff in winter is 7 °C and in summer temperatures can reach up to 30 °C. With four seasons, UK weather is generally unpredictable and can vary considerably, however, Cardiff experiences less rainfall than other areas of Wales and is consistent with the rest of the UK.

Travel time by train

City	Time
London:	2 hours
Manchester:	3.5 hours
Birmingham:	2 hours

Cardiff is consistently voted as one of the **friendliest cities** in the UK.

Five facts about Wales

Beyond Cardiff you can explore the natural beauty of National Parks like the mountainous Brecon Beacons and the rugged coastlines of Pembrokeshire.

Home to Europe's oldest living language, Welsh is spoken by 20% of the population, but don't worry as everybody speaks English!

Traditional Welsh foods like Welsh cakes, Bara Brith and Cawl can still be found today, even in the modern city of Cardiff!

Wales has a rich history and is sometimes called the 'castle capital of the world'. You will find more than 600 castles in Wales, including the 2,000-year-old Cardiff Castle.

The red dragon is the national symbol of Wales, with legends telling the story of how the red dragon defeated an invading white dragon in a fierce battle.

accommodation

“Living in University Residences has been an amazing experience. It helped me find a home away from home and settle into PhD life in Cardiff. I wouldn't pick anywhere else!”

Violina - Aberdare Hall

Safe and supportive

One of the advantages of University residences is the support you are offered. Each residence has a network of residences staff, Residence Life Assistants and security staff that provide 24 hour assistance.

Guaranteed

Accommodation is guaranteed for all full-time degree international students for the duration of your studies.

You will have your own study bedroom. Cardiff University does not have shared rooms or dormitories.

How much does it cost?

The cost of residences depends on several factors which include the residence you choose, length of stay, meal options and whether you want private bathroom facilities. University residences are very good value as the cost includes water, electricity, security, furniture and internet access. As everything is included in one price, it helps you budget more easily. To help with budgeting there is more detail about living expenses on page 49.

For the 2020/21 year self-catered residences range from £104-£144 a week. Part/fully catered residences range from £129-£164 a week. Rooms with private bathrooms are generally more expensive than rooms with shared bathrooms.

University residences

The University has 17 residences, each with different facilities, in different locations and at different costs.

Your choices include:

- single or mixed-gender accommodation
- private or shared bathrooms. About 70% of University residences have private bathrooms (called 'ensuite')
- self-catered, part-catered, fully-catered*
- a variety of social and sporting facilities
- quiet living options.

**Fully-catered option is only offered at Aberdare Hall, a female-only residence.*

The University knows that where you live is very important to you. You will want to settle quickly and live in a secure, well-located, sociable and conducive study environment. This is why Cardiff University provides a guarantee of accommodation in one of our residences.

Close to campus

Cardiff University residences are very well located, with most residences being less than 2km to either the Cathays Park campus or Heath Park campus. The majority of students are able to easily walk or cycle to their lectures every day. The table below gives the approximate walking times from three residences to four popular locations in Cardiff.

Approximate walking times

	Clodien House	Senghennydd Court	Talybont Court
Business School	25 minutes	15 minutes	10 minutes
Heath Park Campus	5 minutes	41 minutes	29 minutes
City Centre	30 minutes	5 minutes	20 minutes
Main Building and Students' Union	25 minutes	10 minutes	15 minutes

Your guarantee of accommodation

You are guaranteed a single-occupancy place in University residences for the full duration of your studies. This is providing you apply through the normal admission and allocation process, and re-apply for residences each year through the overseas returners process.

How do I reserve residences?

After you apply, and if you accept an offer to study, you will be sent full information on how to apply for University residences.

Coming to Cardiff with your family

The University has a limited number of flats, houses and studios available for first-year international students with family members. These residences are very much in demand and you may have to seek private accommodation. If you do choose private accommodation ensure you start looking as soon as possible and ask for assistance from the University.

What do University residences provide?

The diagram opposite shows a layout of a typical ensuite flat in University residences. Please note that this is an example and the number and size of rooms in each flat varies.

In this example there are 6 study bedrooms, each with their own bathroom. The 6 occupants share a kitchen. Every student has their own bedroom. Each room has a bed, desk, chair, wardrobe and storage. You won't need to buy additional furniture. If you choose 'ensuite' you will have your own bathroom with shower.

All bedrooms are connected to the University high-speed Wi-Fi network. In your flat you will have access to a shared kitchen/dining room. This area includes a cooker, refrigerator, sink, table and chairs.

An example of a typical flat in University residences.

university life

You might be wondering what life is like at Cardiff University. Outside of academia you will find a vast range of opportunities to try new things, meet new people and enjoy the exciting atmosphere on campus.

The Students' Union

www.cardiffstudents.com

- the heart of social life for university students
- all students enrolled at Cardiff University are automatically members
- run by a student committee dedicated to the social and welfare needs of all students on campus
- a not-for-profit organisation, where all profits go back into improving the services available to you
- a multi-million pound investment is transforming the Students' Union into the Centre for Student Life, in the biggest campus upgrade of a generation!
- includes a bar, nightclub, concert venue, shops, cafes, post office, letting agency and advice centre
- the Union has its own student newspaper, magazine, radio station and TV channel.

International societies

The best way to make friends is to join a student society. These clubs are very important to student life and are run by other students. There are more than 200 societies, many of which represent areas of the world including: Africa, Canada, China, Hong Kong, India, Indonesia, Latin America, Malaysia, Oman, Pakistan, Nigeria and more.

For two weeks every year the international societies celebrate 'Go Global' - a festival that showcases the University's diversity involving dance, music and food.

Sport and keeping fit

The University takes sport very seriously and encourages participation at all levels. The Athletic Union runs more than 60 sports clubs and arranges fixtures against other universities.

World class facilities are located across four sites and include a Sports Training Village with a multi-purpose indoor sports hall and physiotherapy clinic, a Fitness and Conditioning Centre, dance studio and 33 acres of first-class grass pitches including a full-size floodlit 3G FIFA/IRB approved match pitch.

Our £50m Centre for Student Life in the heart of the campus will open in 2021.

Welcome and orientation

There's no need to worry about settling in, making friends or life in the UK. Our aim is to make your transition to Cardiff as smooth as possible.

The September induction programme includes:

- a free coach collection service from Cardiff and Heathrow airports, providing a warm welcome and taking you and your luggage to your accommodation
- access to an online Orientation program that will take you through the key information that you need to know before you join Cardiff University
- practical information and events to help you make the most of student life at the University
- guidance and support in setting up a bank account in the UK.

Supporting you

Whether you have questions relating to your academic or personal life, Cardiff University has a comprehensive range of services for you to access.

Student Support and Wellbeing have a range of services including:

- specialist visa and immigration advice
- money and housing support
- Disability and Dyslexia support
- mentors and academic skills sessions
- work placements, career advice and start-up opportunities.

In addition to the Student Support provision, every student at the University is allocated a personal tutor who can assist with a broad range of academic or personal matters.

If you want to talk to someone outside of the University, the Students' Union also has an advice centre.

students

the future

Centre for Student Life

As part of the £600 million campus upgrade, £50 million is being invested in improving your student experience at Cardiff University, with the sustainable and iconic Centre for Student Life being built at the heart of our campus.

The Centre will be home to our Student Support services as well as offering modern, flexible social learning spaces and a technology-rich 550-seat lecture theatre. Construction work has already begun, and the exciting new Centre is expected to be completed in time for the 2020/21 academic year.

Innovation campus

£300 million is being invested into the Cardiff Innovation Campus. This will be a centre designed to nurture partnerships between entrepreneurs, business leaders, professional advisers, academics and students.

With state-of-the-art facilities, laboratories and serviced offices, the space will work hand-in-hand with businesses ranging from start-ups to established companies, to provide support and resources to encourage growth and help innovation flourish.

The Innovation Campus will also be home to SPARK – the world's first Social Sciences Research Park.

Your future, our future

Your relationship with Cardiff University does not end at graduation. As a Cardiff alum, you will join our 175,000-strong community who thrive as leaders in their fields, and are committed to making a real difference to the world we live in.

After graduating you will receive regular news, features and opportunities from the University, and access to a range of exclusive benefits including careers advice, use of library and sports facilities, and a full calendar of events.

You can always come home to Cardiff, too – by giving talks at student recruitment events in your home country, providing workplace opportunities, or even fundraising for world-leading research as part of #TeamCardiff.

Wherever your degree takes you, Cardiff is for life.

Ranked 38th in the world for Architecture

QS World University Rankings 2020

“Various field trips and group works have given me the chance to meet colleagues from different disciplines and cultures reinforcing skills in different urban fabrics.

Cardiff is an amazing city with distinctive urban dynamics, offering us, the students to observe and learn daily. It was a big chance for me to apply what I was learning in the lectures as soon as I step out of the classroom.

World Top 100 for Political Sciences

Shanghai Academic Ranking of World Universities 2020

I would highly recommend the Politics and Public Policy programme at Cardiff University if you want to gain a broader understanding of the political and policy processes that shape and affect everyday life across the globe. The programme enables you to understand different points of view, as well as shape your own political values and beliefs. More specifically, the Politics and Public Policy programme allows you to develop transferable research, thinking and communication skills that will enable you to build a successful career in whatever field you choose..

MA in Global Cultures
MA in Translation Studies
languages-pg-admissions@cardiff.ac.uk

PHD/MPHIL RESEARCH AREAS

Our full and part-time PhD and MPhil opportunities are grouped together under the banner of Languages and Translation Studies.

We offer supervision across a wide range of research topics, broadly categorised into the following themes:

- conflict and development
- culture and identity
- cultural studies
- global area studies
- history and ideologies
- history and memory

- languages and translation studies
- literary and textual studies
- modern languages education policy, planning and innovation
- visual cultures

languages-pg-admissions@cardiff.ac.uk

RESEARCH INTERESTS

The department has three central research themes:

1. Transnational Cultural and Visual Studies
2. History and Heritage
3. Global Language-Based Area Studies

Within these research themes, the following research strands feature:

- comics and graphic fiction
- critical theory
- foreign, development and security policy
- ideology critique
- Lacanian cultural (especially film) analysis
- memory studies and museum studies
- multilingualism and language learning
- NGOs, trade unions and movements
- peripheral and minority cultures and identities
- popular cultures, especially crime fictions and film
- post-colonial and transnational literatures, cultures and identities
- translation, adaption and multimodality (radio, film, television, new media)
- translation in/and performance
- the study of socialist and post-socialist Europe
- visual culture and photography

REF 2014

We supervise research on language and literature in both Welsh and international contexts. Recent student projects include:

- From 'Black' Wales to the 'White' Page: Re-constructing Otherness and Multiculturalism in Fiction from Wales, since 1990 (Lisa Sheppard)
- Igaeltacht: replicating a rural linguistic community in an online and cross-platform world (John Caulfield)
- A comparative study of trilingual families in Helsinki and Cardiff (Kaisa Pankakoski)
- Language Variation and Change in Cardiff Welsh (Ianto Gruffydd)

We are a dynamic and successful centre for the study of Welsh literature, language and culture, long-recognised for research and teaching excellence. We have welcomed many international students over the years who have worked with our expert faculty exploring areas such as bilingualism, language planning and policy, minority language rights, translation technologies, education and literature. If you choose to study with us, you will become part of a close-knit, friendly and supportive community in the heart of Wales' capital.

COURSES

UNDERGRADUATE COURSES

Welsh language proficiency is required for our undergraduate programmes, full details are available on our website.

- Business Management with Welsh BSc
 - Law and Welsh LLB
 - Welsh BA
 - Welsh and Education BA
 - Welsh and English Language BA
 - Welsh and English Literature BA
 - Welsh and French BA
 - Welsh and History BA
 - Welsh and Italian BA
 - Welsh and Journalism BA
 - Welsh and Music BA

Study Abroad and international exchange

More information

For more information on your choices and to check your eligibility please visit the website: www.cardiff.ac.uk/studyabroad

You may also contact the Study Abroad Office:
studyabroad@cardiff.ac.uk

Studying abroad at Cardiff University is a great opportunity to dive into the international experience surrounded by centuries of rich Welsh culture, tradition and history.

You will immerse yourself into a unique perspective on your chosen subject, enhance your résumé and forge global friendships. Study Abroad and international exchange students are fully integrated into the student body at Cardiff University. You will be taught and assessed alongside all other degree seeking students, and have access to the same social and academic facilities featured in this prospectus.

Who can apply?

You can apply for a Study Abroad or international exchange programme if:

- you have studied for two years at another university which is recognised by Cardiff University
- you have achieved certain grades in the preceding years. Commonly this is a GPA of 3.0 or equivalent (on a 4.0 scale), although some Schools may require a higher average
- your home university will permit you to Study Abroad and recognise grades achieved at Cardiff University as contributing to your degree
- you are from outside the European Union.

Note: for some modules (classes/courses/units) you may be required to show you have certain pre-requisites/background knowledge.

Build your own Study Abroad Programme

Cardiff University's academic system is modular which means you will be able to choose classes from several different subjects. You will be able to build your own programme to suit your interests and match with your degree at your home university. The full range of available modules is online:

www.cardiff.ac.uk/studyabroad

A unique Welsh cultural experience

Studying abroad at Cardiff University provides an exciting opportunity to enjoy life in one of the UK's best student cities, with easy access to historic castles, museums, beaches and national parks. Many Study Abroad students choose to take classes about Wales and learn some of the Welsh language while they are here.

Cardiff is positioned just 2 hours from London, and is well-connected by road, rail, air and sea. Cardiff Airport is serviced by both low-cost and premium international airlines, making it a great base for exploring the UK, Europe and beyond.

global opportunities

Cardiff is a truly international university, enabling our students to take advantage of our partnerships and projects around the world. Our Global Opportunities (GO) team is here to enhance your Cardiff experience by giving you the option of time abroad as part of your studies.

Studying, working or volunteering abroad as part of your undergraduate university experience is a great way to broaden your academic knowledge, immerse yourself in another culture and gain skills valued by employers.

Spend time abroad . . .

As part of your degree

Study or work abroad as part of your degree – add a year of tasting jamón in Spain to your Spanish degree, or a semester working in innovation in China to your Computer Science course. Gain valuable experience and an international perspective on your chosen subject through our exchange opportunities.

During your summer holiday

Work in one of the fastest growing technology scenes in Colombia, or source your own internship with your dream company abroad. Stand out in the global jobs market with an international internship in China, USA, Colombia, Vietnam and more.

Volunteer in the northern hills of Thailand teaching children or take part in environmental and conservation research in Madagascar. You can join teams of students in Canada, India, Fiji, Japan, Cambodia, Uganda, Zambia and beyond and work to make a positive contribution to your host community.

Why GO?

Studying, working or volunteering abroad will not only enhance your résumé by demonstrating key skills such as cross-cultural communication, flexibility and collaborative working, but can also enable you to broaden your perspectives and develop personally.

Spending time abroad will enable you to:

- experience different cultures
- learn new languages and skills
- improve your understanding of the world around you
- make new friends and share unforgettable experiences
- build international connections
- enhance your résumé and improve your career prospects.

Find out more at:

www.cardiff.ac.uk/globalopportunities

**Opportunities listed are available for 2019 entry and are provided as a guide. Opportunities will vary from year to year and you should check with the GO team for the most up-to-date information.*

Progress onto Cardiff University courses without needing to resit IELTS.

English language programmes

The English Language Programmes teaching centre offers a variety of courses ranging from eight weeks to nine months which cater for most language levels and abilities. Students come from all over the world to improve their English before starting university study.

English for University Study

The English for University Study Programme is a full-time English language and study skills course in academic English. It will provide you with the academic study skills that you need to study effectively in a UK environment, covering language, study and British academic culture.

The English for University Study Programme is a good choice if you plan to continue your higher education studies at undergraduate or postgraduate level. You will need to take a test to demonstrate your English is of an appropriate level.

The programme provides you with the skills and language needed for a smooth transition into academic study. The aim is to develop confident and successful students who are equipped for university study in the UK.

Our Academic Schools will accept the English for University Study Exit Test scores instead of an IELTS or other external test. Exit tests can be taken at the end of each term.

The English for University Study Programme has three entry points: in September, January and April/May.

Intake	Minimum entry requirement
September	IELTS 4.0
January	IELTS 4.5
April/May	IELTS 5.0

Included in the course:

- Classes, guided study materials, assignments and self-study
- one-to-one tutorial guidance and support
- formal transcript showing assessments completed and indicating your level of language proficiency at completion of the course.

Course Accredited by

The global forum for EAP professionals

Pre-sessional Programmes

The Pre-sessional programme provides an excellent opportunity for students holding offers from Cardiff University, at postgraduate or undergraduate level, to take short courses in English for Academic Purposes.

These courses are highly intensive and are designed specifically for students who need only a short period of study to reach the required English language entry standard for their academic course.

Course options

Current IELTS	Required IELTS	Required course length
5.0	6.5	20 weeks*
5.5	6.5	12 weeks*
6.0	6.5	8 weeks
6.5	7.0	10 weeks

* participating schools only

More information

For more information, including information about sub-scores, and to make an application, please visit: www.cardiff.ac.uk/elp or email elt@cardiff.ac.uk

In-sessional English Language Support

Many international students feel they need further help with English language after starting their course. If you would like to have some additional English language support, the in-sessional team can help you.

These classes can strengthen your academic writing, reading, listening, speaking and pronunciation, as well as generally improve your language skills and confidence. In addition to classes, as a student you will be able to access self-study lessons on academic writing, grammar and vocabulary on the Cardiff University Student Intranet.

The In-sessional team also run a weekly drop-in service during term time, which provides one-to-one advice.

I am certain that I made the right decision choosing the English for University Study course for my start at Cardiff University not only because this program helped me to achieve the requirements for my Masters degree but because my language and communication also improved.

MPharm Pharmacy

English language requirements

In addition to academic qualifications, the University also requires an English language qualification from all applicants.

We accept IELTS, TOEFL, and iGCSE/GCSE amongst many other qualifications including Indian Year 12 and WAEC.

Different courses will require you to achieve different scores, however, most courses usually require a score of 6.5 in IELTS (with at least 5.5 in each sub-score) or equivalent qualification. Some courses require a higher overall score, especially those that are language-based and require more complex English usage.

You should check the website, contact the School or ask the International Office if you are unsure of the requirement. If you do not have the required English language level you may want to consider an English language course at Cardiff University.

You may also find this table of equivalencies useful:

GCSE	IELTS (Academic)	TOFEL iBT	Pearson Test of English (PTE A)
B / 6	7.0	100	70
C / 4	6.5	90	62
	6.0	78	54
	5.5	68	51

Cardiff University International Study Centre

Run in partnership with Study Group, our International Study Centre (ISC) offers a range of foundation and pre-master's programmes designed specifically for international students looking to progress onto our courses.

The ISC is located in the Students' Union and provides students with academic and study skills preparation, as well as access to the wide range of support and academic facilities available to all Cardiff University students.

The International Foundation Year provides access to almost all undergraduate subjects through one of four routes:

- Humanities, Law and Social Sciences
- Business, Economics, Accounting and Finance
- Engineering, Physical Sciences and Architecture
- Health, Medical and Life Sciences.

Pre-Master's programmes are currently offered in:

- Business, Social Sciences and Humanities
- Computer Science.

For more information including entry requirements and fees, please visit: www.cardiff.ac.uk/isc

Common questions

What if I don't have all my qualifications/transcripts?

You do not need all your qualifications before you apply.

You can take exams and submit your results after your initial application.

My studies have been completed in English - do I still need an English qualification?

If you have previously studied in the medium of English this may be sufficient for the English requirement. This is at the discretion of the School. If you believe this could apply to you please state your reason in your application. You may still be required to provide a recognised qualification.

How long will it take to have a decision made on my application?

The University endeavours to make a decision on applications within six weeks, however during busy times it may take longer. If you have not had a response after six weeks please contact the International Office. Because PhD applications are more complicated, they can take longer to assess.

how to apply

1 Find your course

Find the academic and English language requirements for your course on our website:

www.cardiff.ac.uk/study

2 Check your eligibility

Check if your qualifications are suitable on our country advice pages

www.cardiff.ac.uk/study/international/your-country

or contact the International Office:

international@cardiff.ac.uk

In some countries an educational advisor may also be able to help you

3 Apply

Undergraduate / Bachelor

Undergraduate applications must be submitted online through UCAS:

www.ucas.com

Postgraduate Taught / Master's/PhD

You can apply directly to the University and track your application through our online portal (SIMS) at:

www.cardiff.ac.uk/postgraduate

4 Gather your documentation

To complete the application form you will need:

- exam results (original certificates and transcripts)
- references
- personal statement
- English language certificates

PhD students - If you are applying with your own research idea you must also find a supervisor and submit a research proposal:

- search for academic staff in the School who match your area of research interest
- contact the academic with your proposal and introduce yourself

Find useful tips at: www.cardiff.ac.uk/postgraduate

5 Submit your application

Is there an application fee?

Undergraduate – The University does not charge an application fee, however UCAS will charge a small fee of £26 to process your application

Postgraduate – For the vast majority of courses, the University does not charge an application fee

When is the application deadline?

Undergraduate – The official UCAS deadline for most courses is 30 June. If you want to apply after this date, please contact the International Office: international@cardiff.ac.uk. If you are applying for Medicine or Dentistry, the application deadline is 15 October prior to entry in September the following year

Postgraduate – Most postgraduate courses do not have a deadline, however the University encourages you to apply as early as possible to avoid disappointment. You must ensure you have enough time to complete the application process and, where applicable, get a visa. Some courses can become full quite quickly. It is recommended that you apply 9-12 months in advance of the course starting.

Need tips on how to write a great personal statement?

Visit the UCAS website: www.ucas.com/undergraduate/applying-university/how-write-ucas-undergraduate-personal-statement

money and living expenses

Cardiff is one of the most affordable cities in the UK for students.

Fixed Tuition Fees

To help plan your budget for your time in Cardiff, the University has fixed tuition fees for the duration of the course. This means your tuition fee will not rise.

Tuition fees are different for each course and there may be some exceptions. You should check the website or contact the International Office for further advice.

You can also pay your tuition fees in three installments each year, to help manage your finances.

Funding and Scholarships

In recognition of the outstanding talent of many international students, Cardiff University offers a highly prestigious International Scholarship Fund, designed to attract and reward the best students. In addition to its own scholarship programmes, Cardiff University is also pleased to offer a number of scholarships in association with partnership organisations. Please see our website for the most up to date funding opportunities.

Living Expenses

For the 2019/20 session, the University estimated that:

- an undergraduate student (September - June) needed £10,000 a year
- a postgraduate student (September - September) needed £12,275 a year.

These estimates include university accommodation, bills, food, books, clothes, travel, telephone and social expenses.

If you are intending to bring family members, such as a spouse or child, you will need to have at least an extra £680 a month for each family member.

Working Part-Time

Cardiff University is in the middle of one of Europe's fastest growing cities and there are many opportunities for part-time employment both on campus, and in the city. The University's "Jobshop" offers a free service to help you find part-time employment. Usual jobs for students include helping out in shops and at events, call centre work and basic office assistance.

Most international students can work up to 20 hours during term time and full-time during the holidays. The University does not recommend you work the full 20 hours during the term because studying in the UK is intensive and you will need to make sure you have enough time to complete all your coursework and reading.

NatWest Student Living Index 2020. Affordability is calculated by dividing students' average monthly accommodation, activities and item costs by their average monthly income.

How does Cardiff compare with other places?

Cardiff has many advantages which make it a cheaper place to study than other university cities. These include:

- Cardiff is a compact city and the University is in the middle - therefore you won't have far to travel between the University, city centre shops and your accommodation.
- Cardiff is also very flat making it easy to walk or cycle around. You won't need to spend money on buses or taxis.
- Cardiff has various bicycle and car sharing schemes that students can make use of. This will make it even easier for you to get around without large extra costs.

Monthly rent

The table below compares average monthly rent across the UK according to the NatWest Student Living Index 2020.

1	Belfast	£252	15	Manchester	£424
2	Cardiff	£328	16	Exeter	£433
3	Leicester	£343	17	Coventry	£435
4	Newcastle	£359	18	Nottingham	£436
5	Swansea	£363	19	Leeds	£446
6	Glasgow	£373	20	Birmingham	£460
7	Norwich	£378	21	York	£476
8	Sheffield	£383	22	Bristol	£491
9	Southampton	£393	23	Cambridge	£495
10	Liverpool	£396	24	Edinburgh	£504
11	Aberdeen	£400	25	Poole	£512
12	Durham	£400	...		
13	Canterbury	£417	35	London	£720
14	Portsmouth	£422	Average		£437
